ANNUAL REPORT

## Dear Christ the King School Community,

Our mission is simple yet powerful; to create a nurturing, Christ-centered environment based on the Catholic tradition of fostering academic excellence, individual responsibility, spirituality, and the growth of the whole child, so that our students can spread the Good News of Jesus in word and deed.

The Grey Nuns of the Sacred Heart founded Christ the King in 1937, and our faculty and staff have dedicated themselves to not only fulfilling the school's mission, but to carrying on the culture of generosity, selflessness, and high expectations they worked so hard to cultivate. We are very fortunate to be part of a Community of Caring that takes this tradition of generosity to heart, a tradition that has provided us with an abundance of blessings.

This inspiring spirit of generosity was evidenced by overwhelming support for the CKS Fund, which provided significant financial resources for the school's overall operating budget and enabled us to wisely invest in our campus, faculty, and students. From the replacement of a decades old sanitation line to the installation of new roof tile, a substantial infrastructure investment was made to keep our historic buildings in tip-top

Community of Caring

shape for future generations. In a dynamic and challenging employment market, we took important steps to improve compensation for our well-qualified and dedicated faculty and staff. Virtually every area of the school benefited from the CKS Fund:

### Campus Enhancements & Technology Integration

- New hardscape and landscape on Peachtree Way
- 10 surveillance cameras
- 150 Chromebooks
- 12 Smartboards
- 12 Lenovo teacher laptops

### Curriculum & Student Services

- *Superkids*\* Phonics & Reading Program
- Scholastic\*\* Leveled Reader Program
- Orton-Gillingham\*\*\* training and support for grade K-2 teachers
- Parent/Student Retreats
- “Reading Room” for the organization & storage of the Leveled Reader Program
- Middle School robotics team
- Middle School “flex period” elective program support

Just as a rock tossed into the water causes a ripple effect, so has the influence of the Grey Nuns on our culture of generosity, which has revealed itself through the 634 donors who contributed \$698,440 for the 2021-2022 fiscal year. Christ the King School is thriving and able to fulfill its mission of educating the whole child because of our Community of Caring. On behalf of our faculty, staff, and students, we would like to express our gratitude and appreciation for your support.

Sincerely yours in Christ,

Monsignor Frank McNamee

\* *Superkids* is a comprehensive English language arts curriculum crafted for grades K–2 using evidence-based literacy practices, along with a unique, systematic, and explicit instructional approach.

\*\* Scholastic Leveled Readers support reading development by integrating small-group instruction, assessment, and independent practice into classrooms to foster independent learners.

\*\*\*The Orton-Gillingham Approach is a direct, explicit, multisensory, structured, sequential, diagnostic, and prescriptive way to teach literacy.

# PARENT VOLUNTEER ASSOCIATION

The Parent Volunteer Association at Christ the King School is comprised of parents who are dedicated to enhancing our Community of Caring for students, families, and faculty & staff. Offering more than 40 different committees, it welcomes all parents to join in sharing their time and talent, enriching the CKS community through social, spiritual, and fundraising events.

The PVA supports community outreach with our CKS Serves Committee. This committee facilitates service activities for students and their families; our students volunteered over 1,400 hours of their time through these events. Volunteer opportunities included making Christmas Boxes of Joy for children in need, providing dinners to students through Agape Youth and Family Center, writing letters to senior citizens, donating sides for Thanksgiving meals, and packing over 10,000 meals for the Rise Against Hunger Program.

Schoolwide PVA events include the much-anticipated Halloween Festival, FunRun, Jingle Jog, Mother-Son event, Daddy-Daughter dance, and Field Day. The Middle School co-chairs arrange special Middle School only events such as the Fall Picnic, Mother-Daughter Luncheon, Varsity Lunch, and 8th grade Graduation Reception. The 2021-22 school year saw the return of the Rex Gala, which was a huge success from both a community building and a fundraising perspective. The Gala contributions provided funding for enhanced school security measures, a new phonics curriculum for K-2nd grades, a Scholastic Leveled Reader Program for K-6th grades, as well as additions to the Middle School social studies curriculum.

An important focus for the PVA is to show our faculty and staff how much their hard work means to our community. The Staff Appreciation Committee provides monthly lunches and goodies, the Birthday Recognition Committee treats the faculty & staff to a lunch on their birthday, and the PVA Executive Committee organizes a Christmas and end-of-year collection that is given as a bonus to every school employee.

*Many thanks to our parents who work tirelessly to support our Community of Caring!*

# ANNUAL FUND

This year the CKS Fund celebrated a record with the highest donations ever received — \$606,360. Gifts to the CKS Fund provide current use resources that help defray the cost of tuition. In fact, gifts to the CKS Fund make up approximately 6% of the school’s operating budget. Unrestricted and current use gifts to the CKS Fund are very important to meet the school’s most immediate needs, while at the same time providing a tax benefit for the donor.

# ENDOWMENT FUND

Money donated to the Endowment Fund is given with the stipulation that it be invested, and the principal remain intact. This allows for the donation to have a much greater impact over time, securing the financial future of our school for generations to come. The fiscal year end was valued at \$3,474,070. Thank you to the following donors for your gracious support of this important investment.

CHRIST THE KING

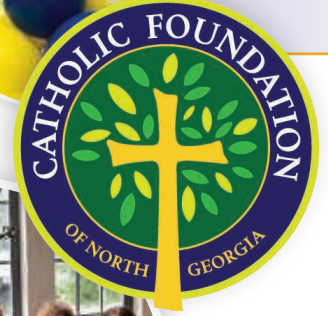

## GRANT AWARDS

During the 2021-2022 school year, Christ the King School received two grants.

Christ the King School is pleased to announce we received a grant award of \$5,000 from The Catholic Foundation of North Georgia through the spring grant cycle. The grant award is intended to purchase new Chromebooks for the 5th grade, which replaces 5-year-old Surface Pros. We thank the board of the CFNGA for the generous award.

CKS was awarded \$1,000 through the generosity and recommendation of the Alex & Betty Smith Donor Advised Endowment Fund at The Catholic Foundation of North Georgia.

## COMMUNITY PARTNER PROGRAM

Christ the King School is grateful for the generous support of our community partner businesses and families. Gifts to the Community Partner Program allowed each student to experience an additional field trip this year.

# GRACE SCHOLARS

Thanks to the Georgia Private School Tax Credit law, taxpayers can re-direct a portion of their state taxes to **Student Scholarship Organizations (SSOs)**. Founded in 2008, GRACE Scholars is one such SSO, and taxpayers can choose to directly support students at Christ the King School through participation in the GRACE Scholars program. Participants receive a 100% Georgia State Tax Credit for their contribution.

Currently, Christ the King School has 22 students benefiting from GRACE Scholarships. We are grateful to the following who chose to support Christ the King School to keep Catholic Education within reach for all families.

### SISTER MARY CLEMENT SOCIETY FOR PLANNED GIVING

Christ the King School's Sister Mary Clement Society for Planned Giving was formed to provide a financial or estate planning vehicle for donors interested in supporting the school's future. We are grateful to individuals who recognize the positive impact of Christ the King School in their lives and/or the lives of their children and grandchildren. With gratitude, we acknowledge the individuals who have made provisions for the school in their estate plans.
